"Cross Water events are extremely inspirational. My hats off to the hospitality of the Cross Water staff for performing all of their compassionate duties with perfection..."

-SSG Michael Clifford

CWO works closely with Fort Hood's Warriors in Transition Brigade, Bridges International and the Texas Wounded Warrior Foundation in an effort to have a positive Christian impact on the lives of all attendees of our events. We encourage everyone to enter a deeper relationship with God in Christ through the power of fellowship and the great outdoors.

"I have been on 30 events with the WTB (Warriors in Transition Brigade). CWO was the best event I have been on. The event was planned and scheduled with flexibility. CWO staff were continually upbeat and wanted to ensure the soldiers had a good time. Well planned/coordinated logistical support. The small things made the difference between a good and great event..."

Mission Statement

Cross Water Outfitters is a Christian men's fishing ministry and our mission is to reflect the love of Christ to people of all walks of faith and backgrounds, young and old alike. We share the simple message of the Gospel of Jesus Christ and demonstrate this through the simplicity of jug fishing.

While we strive to outfit men and women for a successful fishing adventure, more importantly, we represent the Cross of Christ who is the living water and we outfit those we encounter for a personal relationship with Jesus Christ.

Our mission is to show by example how to use our gifts and talents to love and serve the Lord with the intention to make disciples.
